

saarinen pedestal upholstered chair \$491.00

Description

our sandspoint pedestal armchair and pedestal chair series are quality reproductions of the classic pedestal base seating design. true to the originals, they make an excellent choice for a dining, side, and accent chair in the modern home or office. this white pedestal upholstered chair replica is true to the original proportions, crafted from a powder-coated cast aluminum tapered pedestal base with a molded fiberglass seat shell in a scratch and chip-resistant, light gloss lacquer finish. the padded cushion adds additional seating comfort and is offered in a selection of fabric options. complete the look by pairing with our sandlake pedestal table collection, available in a wide range of dining table configurations. If you have a specific requirement for a project, we're happy to help. please contact one of our professionals to discuss your requirements.
