

noguchi cyclone-style table

\$713.00

Description

Our reproduction Noguchi cyclone table is perfect for a small kitchen or entry nook. This contemporary accent table features unique spiral-like steel rod supports, a heavy black steel base, and a crackle-effect smooth glass top. Foam pads are adhered to the bottom of the base to help prevent scratching of your flooring.

Features:

- Contemporary accent table
- Heavy black steel base
- Foam pads protect floors
- Silver steel supports in a spiral-like arrangement
- Thick glass top has a crackle effect and smooth top and bottom surfaces
- Requires assembly

The glass top is 0.6 inches thick.
