

tamblin accent chair

\$819.00

Description

rife with button tufting and silver nail head detail, our thurman designer chair dares to be different. this style-conscious living room furniture is chinese-built with an mdf frame, firm fire retardant foam cushioning, and black-stained solid birch base (does not swivel). adaptable beige linen uphollsters the updated traditional club chair. we recommend the thurman chair is spot cleaned only. minor assembly is required. complete your collection with the matching thurman sofa, thurman loveseat, and thurman ottomans (each sold separately).

features:

- contemporary club chair
- beige linen
- mdf frame
- black birch base with non-marking feet (does not swivel)
- fire retardant polyurethane foam cushioning
- button tufting and silver nail head trim
- assembly required
- spot clean only
- matching sofa, loveseat, and ottomans also offered (sold separately)
