

ox chair ottoman

\$517.00

Description

this is our reproduction hans wegner ox chair ottoman. wegner's fascination with picasso inspired him to do this sculptural and powerful chair. eventually, the production of the chair stopped in 1962 being too advanced for this period. production recommenced in 1985 with applying new technologies but true to the "original" in terms of elegance, handcraft and looks. the ox chair has won many prestigious awards and is worldwide exhibited.
