wing 07 shell chair - leatherette

\$556.00

Description

the western chair is our replica of the 1963 classic design, 07 shell chair, and comes in a selection of vinyl leatherette options. it is crafted from a seat and back of form-pressed plywood shells in walnut or ash veneer, with two upholstered cushions fastened with screws from the back, and three laminated legs; both front legs are made from one continuous piece while the rear leg is a separate component. well balanced and stable, this low chair works well placed alone as an accent piece in the modern home, or in groups of two or more. if you have a specific requirement for a project, we're happy to help. please contact one of our professionals to discuss your requirements.
