## Sandlake | Saarinen 28" Round Tulip Dining Table - Rose Base

\$658.00

### Description

Popular options for the modern home's living and dining rooms, our versatile Sandlake collection includes quality reproductions of the classic mid-century tulip table design. This 28" round tulip dining table is true to the original proportions, with a rose tapered pedestal cast aluminum base featuring a scratch and chip-resistant lacquer in a light gloss finish. The beveled edge table top is crafted from durable artificial marble which offers an equally attractive, but lightweight, alternative to natural stone at a more affordable price point. Our replica tulip dining, coffee, side, and bar tables are available in a wide selection of custom sizes, configurations, and materials. Complete the look by adding our Sandpoint tulip chair and armchair collection, as a matching side dining chair. If you have a specific requirement for a project, we're happy to help. Please contact one of our professionals to discuss your requirements.
