

organic chair tall - grey

\$970.00

Description

the tall salamanca armchair is njmodern's reproduction of the classic designer-inspired organic chair. the contours of this sculpted armchair feature a high back with head rest, and an opening where it joins the seat. its padded form is upholstered in three choices of polyester fabric and sits upon solid wood legs. this versatile chair is a popular option for the modern home's dining room and also functions well in the office meeting room. if you have a specific requirement for a project, we're happy to help. please contact one of our professionals to discuss your requirements.
