currant media unit - caramelized

\$1,977.00

Description

the colden furniture collection from njmodern pays homage to mid-century modern danish design, with clean, simple lines. the range is crafted with 100% solid moso bamboo – a durable, fully sustainable, and environmentally friendly material. this versatile storage unit is ideal for use as a media center, in the dining room, as well as a contemporary credenza. it features two self closing drawers, an open shelf for media use, and two adjustable shelves behind closed doors. it also comes in a dark walnut finish.
