b and b italia mart tongue chair

\$1,888.00

Description

our replica italian-style fayette lounge chair takes inspiration from a design by antonio citterio. the modern aesthetic of this piece makes it a suitable addition for a variety of home seating applications, or as an accent piece. it is constructed from an aluminum cross-base and a molded core of polyurethane with foam padding, custom upholstered in our selection of fabrics or leathers. if you have a specific requirement for a project, we're happy to help. please contact one of our professionals to discuss your requirements.
