## freeform diamond wire chair

\$388.00

### Description

like the original mid-century designs, our bellmont wire chair collection pieces are crafted with a contour mesh frame of sturdy welded steel. this replica diamond chair features a durable polished steel finish and has four plastic guides on the feet to prevent flooring surface damage. a padded black leatherette seat cushion - securing to the chair with lock-snaps - provides additional comfort and is also available in a variety of genuine leather or fabric color options. this modern classic works well in a variety of home or office applications, as both an accent piece or casual seating solution. if you have a specific requirement for a project, we're happy to help. please contact one of our professionals to discuss your requirements.
