## amish dining wood armchair

\$313.00

## Description

time flows effortlessly through the amish wooden armchair. the craftsmanship is evident throughout a piece that appears both petite and boldly courageous. while amish conveys a transitional feel with its solid beechwood back and base, the result is an enduring design with a style that doesnt fade. given the iconic form and staggered-level wooden support rods, amish deftly develops the interplay between permanence and sequential movements forward. the seat is made of paper rope, a new twine that is eco-friendly, soft, anti-static and durable. set includes: one - amish wood dining armchair
