

jive drafting chair

\$460.00

Description

steer the course and sail to an island called style. jive is the result of chair makers who decided to design a drafting stool that just works. functionally, it is a pleasure to sit in as the durable ribbed vinyl back provides natural posture support. the seat cushion and arms are padded, while the form of the armrests was intended to maximize a 90-degree wrist angling for typing. jives chrome-plated aluminum base is fitted with five dual-wheel casters, while a tension knob and tilt lock allow for easy back position adjustments. this drafting stool version of the popular jive office chair series comes with an extra tall gas cylinder and foot ring for a welcome piece that embodies the determination and spirit of the modern office. set includes: one - jive drafting stool
